Life Care for a
Lifetime of Confidence

Longhorn Village is a Life Plan Community that offers a unique brand of independent living and a full continuum of care that includes assisted living, memory care, rehabilitation care, and skilled nursing care.

This means you can continue your active lifestyle now, and know that should your health care needs change in the future, you have a quality plan in place.

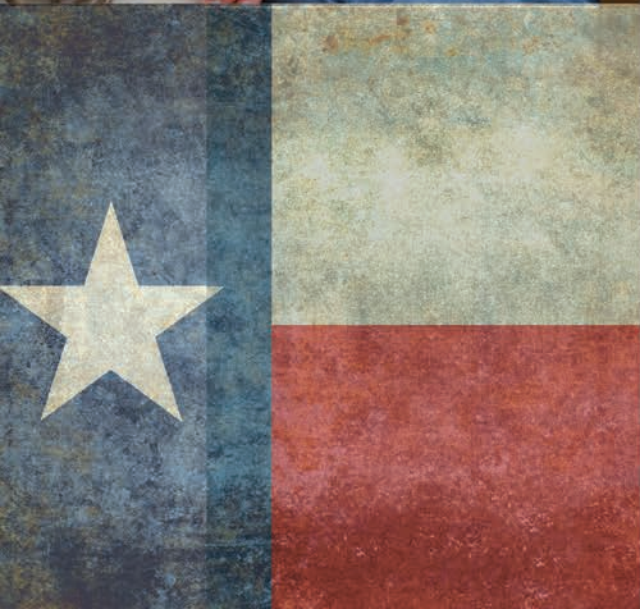

True Value

While there are retirement community options with lower monthly fees, these options typically have either no provisions for long-term care, or are available on a fee-for-service basis, which over the long run, can be more costly.

Life Care at Longhorn Village not only promises you an exceptional, full-service lifestyle, but gives you a solid plan to contain the cost of possible long-term care. You are in control of where you will receive health care, and you're in a familiar setting, surrounded by those who care about you.

It's a smart way to age in place because should your health needs change, you don't have to worry about making new plans or moving.

Financial Benefits of Life Care

It protects your nest egg. A one-time Entrance Fee is 90% refundable to either you or your estate, preserving your assets for future generations.

It's all-encompassing. Your monthly service fee covers virtually all your needs, including a wide range of amenities and services, maintenance-free living, freedom from property taxes or homeowner's insurance, university perks, and short or long-term nursing care.

It offers predictable costs. Should your health concerns change and necessitate your moving into the Health Care Center at Longhorn Village, your monthly service fee will never increase based on any future need for higher levels of care. That includes assisted living, memory care, rehabilitation care, or skilled nursing care. (Cost of living adjustments and ancillary items, such as prescriptions or personal medical supplies, are not included.)

It may reduce your tax bill. A portion of your entrance fee and monthly fee may qualify as a prepaid medical expense tax deduction.
